#### **About Parivar Seva Sanstha**

Parivar Seva Sanstha, a professionally managed national level non-governmental not for profit company, has been working in the field of Sexual & Reproductive Health (SRH) since 1978. It provides a range of quality, affordable reproductive health services and products in 14 states in India. Our goal is prevention of unwanted and unplanned births. We require personnel for a new project with pharmacists in Rajasthan, Haryana & Karnataka.

#### **The Project**

The aim of the project is to enhance use of modern reversible contraceptives in the project states by sensitizing/ training pharmacists and drug stores personnel using a combination of physical and online / virtual trainings and empowering them to offer choice of contraceptives with focus on condoms, oral contraceptive pills, injectables and emergency contraceptives to their customers both through social marketing of contraceptives as well as commercial marketing. And also refer women to Parivar Seva's Stree Clinics for follow up as well as quality clinical birth prevention services such as IUDs, sterilization and abortions. Training of Pharmacists would be backed by promotional campaign covering IPC, mass media and digital marketing.

#### **Job Summary :**

- Liaising with the chemists
- Planning & organizing training program for the pharmacists
- Co-ordination with all the team members and distributors/ Stockists of CSMP
